Co-President Receives President

Dorene Henschen was given her president's pin at the February meeting. Past practice of awarding the pin at the end of a President's biennium was changed to giving the pin as she begins her term. Due to recent chapter presidents already having a pin, we missed that fact that Dorene did not have hers. Luckily, Gamma was able to correct the mistake in time for Dorene to have it for state convention.

Diane Hendrickson was inducted into Gamma at this meeting. Dorene Henschen was presented with her President's pin.

March—Michele Koenig shared how to create DKG roses on apparel at the March meeting at her house. Rubber stamps and stencils were both used as methods to transfer the design. A potluck followed the meeting.

GAMMA MEETING MARCH 2, 2019 HOME OF MICHELE KOENIG

Preceding the business meeting, our hostess, Michele Koenig, worked with us to stamp the Delta Kappa Gamma rose on a piece of fabric each of us had provided. (Some also included DKG.) Michele will be presenting this project at a workshop at the state convention.

President Linda Ruehrmund called the business meeting to order with 19 members and 1 guest in attendance.

Michele Koenig's thought for the day was based on the idea that when you've done the best that you can it's good enough.

Hostesses Michele Koenig and Bev Fatig were thanked for providing the eating utensils and soups that we were going to enjoy as part of our potluck.

Minutes - were clarified to include the fact that money in the amount \$500 was transferred from the Scrivener fund when it matured in January of 2019 to help provide a buffer of \$2500 in the checking account to avoid a monthly fee. **This information will be included in the financial records.**

The treasurer's report was given. Michele Koenig stated that after sending in the \$400-plus to World Fellowship our obligations for the year will have been met.

We were reminded that dues of \$69 for the upcoming year must be paid by the end of June. (a change this year)

No report was given by Jan Howson of the correspondence committee.

There was no report from the scholarship or friendship committees.

Membership chair reported that Gamma will receive two points toward the Gold Key award. Our recent inductee, Diane Hendrickson, will count in next year's report.

Sandie-Trask Tyler of Educational Excellence reported that the total cost of sending a child to Royal Kids' Camp was \$762. We then brainstormed some ideas for next year's programming.

These were suggested:

Pat Fahrenkoph to talk about the gifted, 2) a program about growing succulents, 3) a trip to and presentation at Wagnall's library in Lithopolis, 4) a tour of the governor's mansion, 5) a speaker from the Royal Kids' Camp. and 6) a tour of the new National Veteran's Memorial.

Judy Valentine reported that two grant-in-aid recipients had reported on their projects and how the money would be used. One would provide a microphone for classroom use, another for a study on oceans.

A thank you was received from Diane Hendrickson and Tammy for the donations and personal hygiene items received at the February meeting.

March Minutes continued from page 6

Old business - Dorene Henschen told about various reports sent to State to qualify for the Gold Key Award. The required points to receive the Gold Key were met.

We will showcase two members at state convention. Judy will be presenting Michele at her workshop (stamping). Pat Fahrenkoph will be presenting a program on gifted children. Joanne Katonak with the help of Ellen Clark's photos will prepare a tri-fold of Gamma's activities.

It's very easy to register online for the state convention. Twelve, to date, will be attending from Gamma.

New business - We will be co-sponsoring next year's Founders' Day dinner and presentation.

There was a reminder that a Margaret Boyd fellowship recipient from Mongolia, whose birthday is June 6th, is studying at Kent State. Might we invite her to a meeting?

Respectfully submitted,

Mary Anne Wiedenheft and Esther Panning
