Co-President's Message

Dear Gamma Sisters,

What an unusual six months we have experienced since the Spring Newsletter. At that time, we were just learning about COVID-19 and were expecting a shutdown to last only the month of March. Our March Ohio State Organization DKG Convention was rescheduled for the end of August. Little did we suspect at the time that we would not be able to have that rescheduled convention. I hope this newsletter finds all of you healthy and adapting to our "new normal."

We have now had several Gamma Chapter meetings and some committee meetings via Zoom. I am very proud of our members who learned how to use a new technology so we could meet and see each other with Zoom. We are certainly looking forward to the time when we can once again see each other in person and share some hugs, but we are grateful for the contact we have had with the outside world due to all the technology available in today's world.

As educators, we take an empathetic approach to others, especially our students. Many of us are involved in being part of the solution to some of the current problems. With Columbus City Schools starting their school year virtually, we know this will be difficult for many of the students and parents. So, I am involved with a group who is donating packets of materials for individual students to assist the at-home learning. Also, I will be teaching a pod of six students this fall, which will be in a large outdoor space that has wi-fi, and with a large indoor space that we can use if the weather is bad. In addition to teaching the pod, I am continuing to tutor five students in math via Zoom. I am sure that many of you are finding ways to assist learners, too, this year, and I look forward to hearing about what some of you are doing. As educators, we make a difference in the lives of others.

The DKG Ohio State Organization Executive Board is meeting via Zoom on the last Saturday of August, and our Gamma Chapter will receive the Gold Key Award for our work this last year at that meeting. For the coming year, we will be continuing to promote a Foster Care Initiative Project as a part of Gold Key. Our February meeting will once again be at JoAnn Fabrics to make blankets for foster children, through the My Very Own Blanket project. Furthermore, we have several chapter programs on educational topics planned for this coming year, required for a Gold Key. With our September 15th Zoom meeting, we will be learning about gifted education from our member Pat Farrenkopf. And on October 3rd, we will have a live tour of the Columbus Idea Foundry, which I have confirmed and have learned they plan to have us social distance and wear masks with this tour and at our meeting there following the tour.

The DKG Ohio State Organization is expecting us to complete at least two membership challenges this coming year. One possibility is for our chapter to participate in the Ohio Buckeye – Michigan Cherry Membership Challenge, which ends on 2/28/21. Another possibility is to provide information on how we have maintained chapter connectivity via Zoom, emails, phone contacts, and our newsletters. A third possibility is the induction of a new chapter member using the International DKG Recruitment Plan or another process. We were very pleased to welcome a new chapter member this last year. Michelle Walker joined Gamma Chapter after attending and participating in our blanket making and meeting last February. We are looking forward to getting to know her better. *Please consider inviting a prospective member to one of our programs/meetings this coming year.* On another note, sadly, we lost a member a few months ago. Miriam Hinton, who joined Gamma Chapter in 1957, died on 3/18/20.

On July 29, 2020, three of the Gamma officers, Co-President Linda Ruehrmund, First Vice-President Sandie Trask-Tyler, and myself attended the Ohio State Organization Zoom session, called "The Jigsaw Puzzle of Chapter Leadership Training." We received information and materials to make a successful upcoming year. To assist us in this mission, we welcome our new Second Vice-President, Carolyn Bordelon, our Co-Recording Secretaries, Mary Cardinal and Liz Biglin, our Corresponding Secretary, Mariruth Seubert, and our Parliamentarian, Katherine Wheeler. Returning as the Treasurer of Gamma and the Red Book Editor, is Michele Koenig, whose experience and many contributions to the Gamma Chapter are invaluable. Many of the committees are remaining the same, except for the Scholarship Committee. Sherry Grimes will join Mary Cardinal as Co-Chair of this committee, and they welcome a new member on the committee, Pat Farrenkopf, who will make a great contribution to the Scholarship Committee. I would like to thank all of the officers and committee members that make Gamma such a successful organization, and I would like to extend a big thank-you to all the members who make our meetings special with your hostess gifts and thoughts for the day.

Here is to a great 2020-21 year with the Gamma Chapter!

Respectfully submitted,

Dorene Henschen, Gamma Chapter Co-President

Congratulations Gamma Chapter for earning the Gold Key Award for 2019—2020.

Our Newest Member

"My name is Michelle Walker. I'm pleased to be joining this awesome groups of ladies! I've already enjoyed participating in a few sessions before COVID entered our world!

Here's a little background info about me. I am a graduate of Capital University, but also attended OSU and Ashland University. I taught 2 years for the Columbus City School District and taught in the Westerville City School District for 32 years before retiring in 2010.

Since retirement I have enjoyed "put aside interests and hobbies" such as pleasure reading, acrylic painting, sewing (most recently protective face masks) and crafting and added a new found interest—crocheting (mostly scarves and baby blankets).

My week days are busy with nannying my "Fab Four" (3 year old twin boys and their sisters who are 10 & 6). My weekends are definitely "catch up" days...doing the mundane chores of all housewives!

My husband, also retired from his job of 34 years, very much enjoys being a school bus driver & umpiring youth softball games.

We both adore our grandchildren and enjoy spending as much time with them as possible. Since retirement we have also enjoyed the opportunities of travel & vacationing more...hope to do more when COVID gets reined in even more! Can't wait to become more involved with Gamma and enjoying the wonderful fellowship of planning and working together with such fine educators. "

Members are encouraged to keep their email address information up to date on the chapter website. Please contact Ellen Clark if any changes or updates need to be made on the website concerning your email address. Thank you!

Red Books

Due to the Covid 19 pandemic, we are requesting members keep last year's Redbook. Updated pages will be mailed that members can paste, tape or shape into last year's books. The refrigerator 1/2 page of meeting will be mailed at the same time. Mailing the few updates will cost less and save on printing costs. If you are in need of a complete Gamma Chapter Redbook, please let Michele Koenig know and she will print you out one. Main officers will receive the multiple chapter Redbook for this year, which will be mailed out to them."

Meeting Highlights

Covid—19 impacted programming for Gamma Chapter.

The April meeting was cancelled, however the program has been rescheduled for the April 2021 meeting.

The June meeting was held via Zoom, with only chapter business discussed.

Its program has been rescheduled for June 2021. The Zoom image from the June meeting is on the front page of this newsletter.

Eulogies of Two Former Gamma Members

We were very sorry to learn of the passing of our oldest Gamma member Miriam Hinton, and of Barb Pogue who had served as Treasurer for Gamma Chapter when she was active in the chapter. Below are short excerpts from their obituaries.

Miriam Hinton passed away on March 18, 2020. Miriam was a graduate of Capital University; received her Master of Arts Degree from Ohio State University; retired as an administrator from the Columbus Public Schools.

Barb Pogue passed away on June 6, 2020. Barb was a graduate of The Ohio State University, and became an avid fan alumnus. She had a full teaching career with Columbus City Schools, and enjoyed her many talents and interests.

Opportunities for Service and Creativity

In the time of Covid-19 shutdown and quarantine, our chapter members had the opportunity to be involved in many volunteer services helping others in many ways. Many were able to use their own resources and talents in meaningful ways. There was also the time to put into personal creative endeavors. The photo below was taken by Liz Biglin and is a painting she completed during Covid quarantine. Photo used with her permission.

Gamma Photo Directory

Sandie Trask-Tyler is currently getting new photos of our members to create a photo directory. Our hope is that this will make it easier for people to recognize members who are not always able to make it to meetings. If you have not had your photo taken, let Sandie know or you can make arrangements to send in a photo.

Thank you to all who served our chapter as officers for the last biennium, and we congratulate those who have taken a position for the upcoming biennium. All of your work is greatly appreciated!

GAMMA MEETING

JUNE 13, 2020

The Gamma meeting was called to order at 10:00 via ZOOM. There were some problems with getting connected and an accurate count was not done.

Judy Valentine presented the Thought for the Day which reminded us of the four most important words in our language.

Minutes of the February meeting were approved with a motion by Sherry Grimes and seconded by Judy Valentine.

The Treasurer's Report showed \$3800.00 available in chapter funds. \$790 was given to World Fellowship from our chapter. Except for six people, dues for the next year have been paid with June 30 th being the deadline. A discussion was held about paying dues for three reserve members-Angie Clark, Sara Herfel, and Joanne Katonak (if necessary). A motion was made by Bev Fatig, and seconded by Katherine Wheeler, to pay dues for these reserve members. Katherine Wheeler reminded us that the books would be up for audit in July.

Janet Halter asked for information or reports for the upcoming fall newsletter be sent to her before Sept.

A big thank-you was given to Janet for all her work keeping us in touch, especially during this pandemic.

There were no committee reports from Scholarship, Friendship, Educational Excellence, Grant-in-aid, or Professional Affairs.

There has been no word yet about the State Convention scheduled for Aug. 28-30, 2020 or Officers' Training. No forms are out. If the International Conventions is canceled, the State Convention will be also.

Reba Barney, as Membership Chair, did a second reading of Michelle Walkers's bio and, after a motion by Dorene Henschen and seconded by Bev Fatig, the chapter voted Michelle into membership.

Reba thanked our officers for their hard work during this past biennium and the willingness of some to remain in office for 2020-2022. Installation of officers for 2020-2022 followed.
